
GREEN OPERATORS "GO" Program

REBATE PROGRAM APPLICATION

INSTRUCTIONS

The Green Operators (GO) program provides rebates to retrofit older vehicles with more emission-efficient engines and recognizes partners for setting and achieving goals for reducing air pollution and greenhouse gases associated with the transport of goods.

ELIGIBLE APPLICANTS

- Only GO Carriers are eligible for this rebate program.
- Carriers must provide drayage truck services to the Virginia Port Authorities Hampton Roads facilities.
- Equipment must be purchased and installed between October 1, 2008 and July 31, 2010.

GENERAL REQUIREMENTS FOR APPLICATIONS

- Incomplete applications will be returned.
- Complete applications will be reviewed on a first-come first-served rolling basis.
- Type or print legibly all items except the owner's signature in Section V.
- Printed applications must be in black or blue ink.
- If you need space for additional information, attach additional sheets of paper. Write the owner's name on each attached sheet and attach to the application.
- Provide an itemized cost of equipment, materials, etc. with your application. Please include any product literature, specifications, brochures, etc. that would be helpful in evaluating your application.

If applying for more than one rebate please provide the information below for each rebate requested.

COMPLETE AND SUBMIT APPLICATION TO:

The Mid-Atlantic Regional Air Management Association
8600 LaSalle Road, Suite 636
Towson, MD 21286
Attn: Hannah Andrews

REBATE REVIEW SCHEDULE

1. Applicant completes rebate application, signs Rebate Agreement and submits to MARAMA.
 - Please note the Rebate Agreement is not fully executed until accepted and signed by MARAMA.
 - By signing that agreement you will be committing to the terms in the agreement
2. MARAMA confirms receipt of application within 10 business days.
3. MARAMA notifies of acceptance or denial of application within 21 business days of receipt of a complete submittal.
4. MARAMA sends copy of signed and fully executed Rebate Agreement.

MARAMA will notify you in writing regarding the final outcome of your application.

A special thanks to our funding partners

The Green Operators Program developed from a Virginia Port Authority pilot program that provided trucking companies with low-cost financing to purchase diesel trucks with more emission-efficient engines or rebates to retrofit older models for efficiency. The Virginia Department of Environmental Quality, through grants from the US Environmental Protection Agency's National Clean Diesel Campaign Program and the American Recovery and Reinvestment Act, has committed funding to expand the programs reach and impact.
